

Become a Licensed *WisdomScape*® Practitioner

Announcing a licensing process for *WisdomScape*®: Leading Self

Many coaches have expressed a desire to confidently step into a new level of coaching that supports their clients in becoming healthy and effective 21st Century Leaders. Coaching in this area is a specialized body of knowledge, and our own “re-tooling” is needed in order to assist clients in transforming their leadership to manage today’s complex business challenges. If building your capability in the area of health and sustainability is on your radar screen, then become a Wisdom Works licensed practitioner in our *WisdomScape*® system. Our mantra: *Personal Sustainability, Leadership Capacity, Exceptional Performance* is our foundation and our vision—we invite you to join us.

What is *WisdomScape*®?

WisdomScape® is a suite of visionary design tools for leaders striving to achieve inspired, sustainable, world-class results on five levels: Self, Team, Organization, Industry and World. Each of these levels incorporates 8 fundamental capabilities that 21st Century Leaders need to navigate the complexities of our world. This framework, called *WisdomScape*®, helps today’s leaders who seek scaleable strategies for working and living in today’s complex world.
